Assistant Commissioner

Safety

The NC Forest Service will provide a safe and healthy work environment and develop a workforce that is committed to safety. We will strive to reduce the number of workplace injuries to our employees, while finding better ways to communicate safety information and train employees. We will also focus on the physical and mental well-being of each employee.

Measure

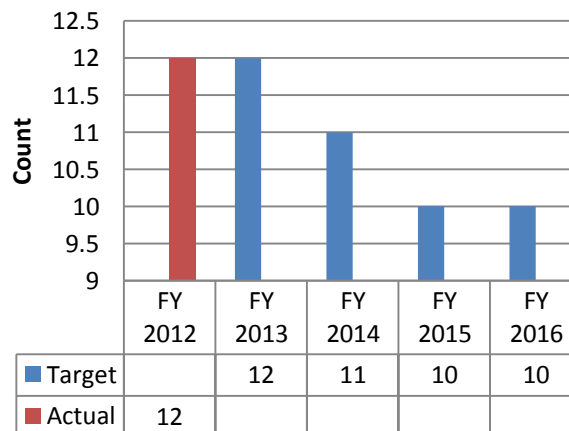

Reduce the number of slips, trips and falls, struck bys, and vehicle accidents by 15% by June 30, 2016. These are the three most prevalent types of accidents within the NCFS.

FY 2012 Baselines

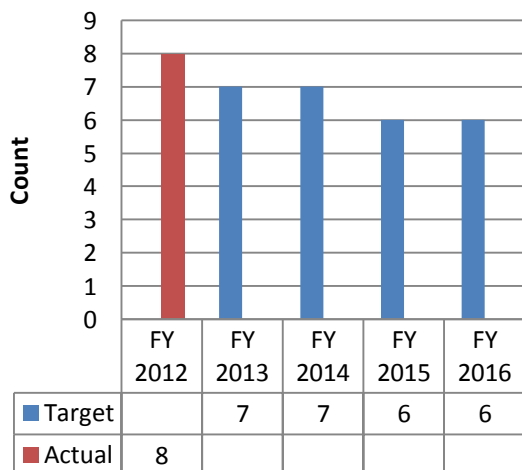

(average from July 1, 2007 to June 30, 2012)

¹Actual is a rolling average based on the fiscal year being reported and the previous 4 years. Example: FY 2013 data will be average accident count from July 1, 2008 to June 30, 2013
